

**100% NATURAL**

# DEER OUT™

patent pending

**Covers 40,000 sq ft.**

DEER OUT can be applied to all shrubs, forest & fruit trees, fruits and vegetables and flowers.

DEER OUT will not wash off in the rain. DEER OUT contains no animal waste and its organic composition stimulates regrowth on plants previously damaged. All ingredients found in environmentally friendly DEER OUT are exempt from EPA registration under EPA guidelines category 25b "food products".

**Directions:**

1. Shake well prior to using.
2. Apply mist completely covering entire plant, be sure to cover both the top & bottom of all exposed areas.
3. Allow 1 hour for Deer Out's custom blend of oils to be absorbed into the plant & dry prior to watering or rain fall.
4. Apply every 90-120 days or as needed.
5. During periods of rapid regrowth, reapply Deer Out more frequently.

Note: During periods of intense heavy rain, more frequent applications may be necessary.

Caution: Keep out of reach of children. If swallowed call a doctor immediately for treatment advice. In the event of eye contact or prolonged exposure to skin gently rinse with water for 15-20 minutes and contact a doctor immediately for treatment advice.

Active Ingredients: Mentha Piperita 1.77%, Garlic oil 0.95%, White pepper .050%  
Inert Ingredients: 95.19% Water, Eggs, Gum Arabic, Acetic Acid, Vegetable oil
